

MEAN SO MUCH

VERSE 1

I don't want to lose you
I'm never
Going to let you go
You know I'm here
I care
Baby
You mean so much

CHORUS

How do I live
Without your love
I need to be with you
What do I do
X 2

VERSE 2

You consume my thoughts
You are all I think about
You know
You mean so much

CHORUS

BRIDGE

Thinking of you
Your beautiful
Inside
Out
Your magic self
Accepts me for who I am
So
I know
You really care
You mean so much to me

CHORUS
