

GOTTA HAVE YOU

VERSE 1

I love
Everything about you
I love
Everything about your smile
Your sexy lips
Want to kiss it
You know your sexy
With those
Sexy eyes

CHORUS

You are all that I want
Its you that I like
I want you
I love you
I need you
Gotta have you

VERSE 2

Say my name
I stop, think and smile
Your voice
Turns me on
Makes me crazy
Drives me wild inside

REPEAT CHORUS

BRIDGE

I love your precious heart
I'll always love you
Only you
I'll always care
I'm here to listen and understand
Anything you need
In return
I need you
Gotta have you

REPEAT CHORUS
