

## **WANTING YOU**

### **PIPA & A.O.K**

#### VERSE 1

I saw the look  
In your eyes  
I want to see you  
You said I wouldn't  
But  
You melted for me  
It's hot & special  
Wanting only you

#### CHORUS

Your my rock  
Your my light  
I feel ohhh so good  
Its ohhh so nice  
I want you  
I feel you  
I'm wanting you

#### VERSE 2

I want you  
All the time  
Non stop  
For a while  
Your going to  
Scream  
When  
I scream  
I'm with you  
Into you  
Only you

#### CHORUS
